

All Things from Your Hand

written by Kyle Kite

A **E** **A**

we want, You made us to

A **E** **A**

we're small, don't see like You

Bm **D**

made for desire, for timing and purpose

Bm **D** **E**

teach us to wait and help us remember

Chorus

A

all things from Your hand

F#m **E**

all things from Your hand

E

You are good to us

A

all things from Your hand

F#m **E**

all things from Your hand

E **A**

we will wait on You

we're cut by fear and sin

our trust is hard to win

made for the light, belonging, and wholeness

teach us to trust and help us remember

Chorus

made for the light, belonging, and wholeness
teach us to trust and help us remember
made for the light, belonging, and wholeness
teach us to trust and help us remember

Chorus
